MACHINERY

SANY

Quality Changes the World

SANY SERVICES – YOU CAN RELY ON

FLEXIBLE, FAST AND ALWAYS CLOSE BY –
THAT IS OUR PERFORMANCE PROMISE

Working with our network of dealer partners across the UK and Ireland, we provide industry leading service and support that includes rapid assistance, tailored advice and a reliable supply of SANY genuine parts - that is what we mean by a premium service.

FINANCING AND INSURANCE

SANY offers comprehensive services in close cooperation with SANY Finance to supply a preferred finance solution to our customers.

PARTS SUPPLY

Our dedicated parts warehouse in Glasgow has over 10,000 part lines in stock for our UK & Ireland dealers and customers. Parts are delivered daily to our dealer network to ensure quick response times and to make sure SANY machines are kept running at all times.

SANY GENUINE PARTS

SANY original spare parts guarantee the highest quality and performance for your SANY machine. They also ensure optimum safety for the operator on site and reduce unplanned maintenance and downtime.

MAINTENANCE AND SUPPORT

Our team of UK specialists work closely with our nationwide dealer network to ensure we offer a complete level of support.

TRAINING

SANY has a robust network of certified technicians throughout the UK who are fully trained on SANY equipment and can provide hands-on, field-ready support and technical expertise when you need it, to ensure any downtime is kept to a minimum.

DOCUMENTATION

Handbooks as well as comprehensive documentation for maintenance and operation are available for all SANY machines.

SANY KEY CHARACTERISTICS

QUALITY AND DURABILITY

Innovative design and advanced manufacturing techniques ensure SANY machines deliver incredible durability, reliability and dependable uptime on the toughest construction projects.

PUTTING SAFETY FIRST

We have built a comprehensive safety package into our machines, including camera's, driving alarm, rotating beacon, boom safety valve, overload warning, emergency stop button and battery isolation switch.

BUILT FROM THE BEST

SANY uses only the highest quality components, sourced from world-leading brands you know and trust. Rexroth pumps and valves hum in harmony with Dana transmissions and Cummins engines. Everything is built to deliver power, performance and reliability.

COMFORT AND EASE OF USE

Operators can look forward to maximum comfort and easier operation. From the easy entry and the responsive and precise controls to the ergonomic and comfortable operators seat, everything has been designed to simply get on with working.

COST OF OWNERSHIP

SANY excavators are designed to deliver a lower cost of ownership with features such as steel bodywork for maximum strength and durability, reduced fuel consumption in compliance with Stage V emission standards, extended service levels and uncomplicated maintenance.

MINI EXCAVATORS

COMPACT EXCAVATOR **SY10U**

- + Powerful Stage V Kubota engine and load sensing auxiliary hydraulics
- + Zero tail swing design
- + Expanding undercarriage (745/1100mm) and adjustable dozer blade

- + Proportional controls and auto QH pipework
- + EVI telematics
- + 5 year/5000 hours warranty

Operating weight	1195 kg
Rated power	8.8 kW / 2200 rpm
Max. digging depth	1868 mm
Max. dumping height	2096 mm
Tail swing radius	550 mm
Length	3018 mm
Width	745 / 1100 mm
Height	2290 mm

WE'VE GOT YOU COVERED

SANY has earned a reputation worldwide for reliability, durability and performance but to provide peace of mind and to ensure maximum uptime most SANY machines are backed by the SANY industry leading 5 year warranty*.

That's our commitment to keeping your fleet running at peak performance. It secures your investment for the future and means that if any issues arise with your equipment, you're covered from day one.

* Terms and conditions apply. Check with your local dealer for more information.

FLEXIBLE, FAST AND ALWAYS THERE FOR YOU

THE ADDED BENEFITS SANY OFFERS YOU

We would be happy to advise you, offer financing options
and, naturally, take care of maintenance and service.
